VALUE series

Improve your home's appearance with a Clopay Value Series garage door. Available in 24 or 25 gauge steel with a durable 2" steel frame construction, Value Series models are designed for beautiful, long-lasting performance. Choose from multiple panel styles, many color options and a wide range of decorative window options to create a door that fits your budget and enhances your home's curb appeal.

1-LAYER CONSTRUCTION

Heavy 24 or 25 gauge steel construction ensures durability, security and classic style at an affordable price.

- Tongue-and-groove/shi lap section joints help seal out wind, rain and snow.
- Replaceable bottom weatherseal in a rust-proof aluminum retainer helps prevent elements from entering garage.
- Patented Safe-T-Bracket® helps prevent serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- Nylon rollers are smooth and quiet.
- Galvanized steel hinges are durable, reliable and secure.
- Inside/outside step plates and grip handles make doors easy and safe to manually operate.

COLORS

- Exterior steel on standard color doors has a natural woodgrain texture.
- Doors can be painted to match the home's exterior using a high-quality latex exterior paint. Do not use oil-based paint.

STEP PLATE/LIFT HANDLE

Color-matched exterior step plate/lift handles are durable, attractive and allow for safe opening and closing of your door.

CUSTOM PAINT OPTION

Color Blast™ offers more than 2,000 Sherwin-Williams® color options to complement your home. Clopay's durable factory finish has been thoroughly tested and is backed by a five-year warranty.

RUST-PREVENTION SYSTEM

Steel skins are protected through a tough, layered coating system, including a hot-dipped galvanized layer, a protective metal oxide pretreatment and a baked-on primer and top coat.

A FOCUS ON *green*

Clopay is committed to designing, manufacturing and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

The Value Series helps conserve natural resources by providing a durable, reliable, low-maintenance door. Steel doors and hardware are impervious to moisture and will not rot, warp, crack or fade, and the steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling. For more details on Clopay's green practices, visit our website at clopaydoor.com/green.aspx

Windows

Inspired by current architectural trends, our windows add natural light to your garage while adding curb appeal to your home. All Clopay window frames are UV-protected and are color matched to our prefinished door colors. Window frames screw in from the inside for easy glass replacement or to change designs.
